To facilitate the organization of your groups, from the Hotel VIDA Mar de Laxe we provide you with a complete program to get to know the Costa da Morte, with Laxe as the base of operations. The program is always in Half Board (breakfast and dinner with drinks included).

Day 1: Arrival in Laxe. Check-in at the Hotel VIDA Mar de Laxe

- Taking advantage of the fact that we are just 40 meters from the promenade and the beach, free time for people to stretch their legs around the village of **Laxe** and have a drink on one of the terraces looking at the sea.
- Dinner and accommodation.

Day 2: Breakfast and departure to visit A Coruña and different areas of Costa da Morte

- After breakfast we head to the city of **A Coruña**, visiting the most popular places and having lunch (2:00 pm) in a restaurant in the city (it is up to you).
- In the afternoon, after lunch (4:00 p.m.), departure to **Buño** (44 km / 40 minutes by coach from A Coruña), where we will do a guided visit to the **Forno de Forte Ecomuseum** (Free guided tours T 981 711 520), to learn about the traditional life of the potters (oleiros) of Buño, and where you can buy unique examples of this type of pottery.
- From Buño we go to **Malpica** (8 km / 10 minutes by coach), one of the most typical fishing villages in Galicia, where we walk through the fishing port and the promenade of its Mayor Beach, getting lost in its narrow streets of great charm.
- Return to Hotel VIDA Mar de Laxe and a little rest time. Dinner and accommodation.

Day 3: Breakfast and departure to visit different areas of Costa da Morte

- Our first visit is the fishing village of **Camariñas** (26 km / 28 min from Laxe), the heart of the Costa da Morte, famous for its bobbin lace, and the impressive **Cabo Vilán Lighthouse**, the first electric lighthouse in Spain, which serves as It helps the huge maritime traffic that passes through this area.
- From there we go to **Muxía** (26 km / 30 min from Camariñas), which is kilometer 0 of the Prestige disaster. There is the famous **Sanctuary of Barca**, in the middle of the rocks and on top of a rough sea, where the legends say that the Virgin Mary appeared on a boat, hence her name.
- Lunch can be done at the Restaurant Insua de Cee (T 981747575 is in your hands).
- After lunch we will visit **Cape Fisterra** (14 km / 15 min from Cee), where people will be amazed at the immensity of the Atlantic Ocean from "The Land's End", as the ancient Romans considered it.
- After visiting Cabo de Fisterra, we will stop in the town of **Fisterra**, where we will visit the **Museo da Pesca** (€ 1 / pax T 673423174), where Manolo López explains in great detail the history of the different fishing arts.
- On the way back to Laxe, stop at the town of **Corcubión** (12 km / 15 min), declared a Historic-Artistic Site since 1985, to take a walk and lose yourself in its streets.
